

APP_Inputs_Tasks

```
graph LR; A[APP_Inputs_Tasks] --> B[APP_GetInputsStates]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box on the left is white with a black border and contains the text 'APP_Inputs_Tasks'. A blue arrow points from the right side of this box to the left side of the second box. The second box on the right is gray with a black border and contains the text 'APP_GetInputsStates'.

APP_GetInputsStates
