

UG_PutChar

```
graph LR; A[UG_PutChar] --> B[_UG_PutChar]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'UG_PutChar'. The right box is white with a thin gray border and contains the text '_UG_PutChar'. The blue arrow points from the right side of the left box to the left side of the right box, indicating a mapping or relationship between the two identifiers.
