

UG_ImageHide

```
graph LR; A[UG_ImageHide] --> B[_UG_SearchObject]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'UG_ImageHide'. The right box is white with a thin gray border and contains the text '_UG_SearchObject'. The blue arrow points from the right side of the first box to the left side of the second box, indicating a directional relationship or flow from the first entity to the second.
