

I2C_ReadSEEPROM

```
graph LR; A[I2C_ReadSEEPROM] --> B[i2c_reStart]
```

A flowchart with two rectangular boxes. The left box is white with a black border and contains the text 'I2C_ReadSEEPROM'. A blue arrow points from the right side of this box to the left side of a second box. The second box is gray with a black border and contains the text 'i2c_reStart'.

i2c_reStart
